### Certificate of Appreciation

"Tresna Foundation" is happy to acknowledge the sincere contribution of Ms. Kavisha Shah student from the Computer Engg. Program, Pandit Deendayal Energy University, Gandhinagar. Kavisha has actively given her time and support from 3rd July to 15th July for the respective task of providing Digital Literacy to students from underprivileged background in our PROJECT PAHEL (Digital Literacy & Youth Employability Program) - Computer Centre Paldi and Ahmedabad Garden Class-Vasna. We have found her work satisfactory.

During this Internship Program, she has supported student in enhancing skill in Digital Literacy- MS OFFICE, Basics of Web Development using HTML and CSS, teaching Scholastic and Co-scholastic subjects to our garden class children along with English speaking, Counselling and Team Building to those students.

We thank the management for encouraging these students to get involved in such noble cause. Wishing students all the best for their future endeavor and we look forward to work with them again.

Thank you.
